containing the entire proceedings for the event will be formally launched during the inaugural ceremony.

Prof. Ramasubramanian Professor, Department of Humanities and Social Sciences, IIT Mumbai, a noted Sanskrit scholar, will deliver the key-note address. He has been conferred the Award of Maharshi Badarayan Vyas Samman in recognition of his research. The award is given to young scholars of Sanskrit, Pali/Prakrit, Arabic and Persian who have made a breakthrough in the interdisciplinary studies involving contribution of these languages or the ancient Indian wisdom, to the process of synergy between modernity and tradition.

Prof. Ramasubramanian is one of the authors who prepared the Explanatory Notes of the celebrated work Ganita-yuktibhasha (Rationales in Mathematical Astronomy) of Jyeshthadeva (c. 1530) which

brings out the seminal contributions of the Kerala School of astronomers and mathematicians in the field of Mathematical Analysis. They also developed new models of planetary motion that gave a correct account of the heliocentric motion of the interior planets, Mercury and Venus, for the first time in the history of Astronomy. Prof. Ramasubramanian has also completed a rigorous course on Advaita Vedanta (a fourteen semester program) which fetched him the coveted of "**Vidvat Pravara**" from the Jagadguru Shankaracharya of Sri Sringeri Sharada Peetham.

A significant feature of this unique conference is a live webcast of the entire proceedings of the conference, which is being undertaken by Advaita Academy, Bangalore. Advaita Academy is a School for Indian Spirituality & Philosophy set up by Creative India Academies for Art & Culture (CI). CI seeks to

preserve and advance various facets of Indian Art and Culture including Spirituality & Philosophy, Visual & Performing arts, Design & Handicrafts, Cuisine, Health & Wellness and Language & Literature. Livestreaming link for the event is-[www.livestream.com/advaita\\_academy?t=212827](http://www.livestream.com/advaita_academy?t=212827)

The conference will have a Bharatanatyam dance based on Upanishads performed by Sri Anuradha Sridhar and Sri Sridhar of Bangalore. Dr. T S Satyavathi and her troupe will present Karnatic classical music recital based on Upanishads. The special lecture series to be held between 6.30 and 7.30 pm will feature eminent personalities like noted scientist Dr. Roddam Narasimha, former Director of Nehru Planetarium Prof. C V Vishveshwara, Dr. Mumtaz Ali of Satsang Foundation, noted Kannada litterateur Dr. Ham.Pa. ### **Sri M**

Sri M, also known as Sri Madhukarnath ji is a living Yogi and disciple of Sri Maheshwarnath Babaji in Nath tradition. Sri M was born as Mumtaz Ali Khan on 6 November 1948 in a devout Muslim family in Trivandrum, Kerala. Even at a very young age,

he noticed how prejudiced people belonging to one religion were about other religions. Sri M left his home at the age of nineteen to find his master in Himalayans. After getting exhausted by the endless search, he finally met Sri Maheshwarnath Babaji at Vyasa Cave, beyond Badrinath. His desire to meet the Grand Master – Sri Guru (Mahavatar Babaji) was also fulfilled at NeelaKanth hill with the grace of his master. Sri M came back from Himalayas and spent considerable amount of time in Ramakrishna Mission and Krishnamurti Foundation. He started his teaching phase some years after his Master passed away. Sri M is married and spends his time in teaching and heading Satsang Foundation he has founded for tribal children in Andhra Pradesh.

Sri M is a yogi with profound knowledge of Upanishads and deep personal insights born of first hand experience of higher levels of consciousness. He writes in Speaking Tree, a spiritual forum

He who has perceived that  
which is without sound,  
without touch,  
without form,  
without decay,  
without taste,  
eternal,  
without smell,  
without beginning,  
without end,  
beyond the Great,  
and unchangeable,  
is freed from the jaws of Death.
